

The Power of Nonviolence

revised 3rd edition

Author: [Richard B. Gregg](#) [1]

James Clark, London, 1960, pp. 192

Originally published: 1935

Classic analysis of 'moral jiu jitsu' as the basis of nonviolent resistance, and in particular of Gandhi's interpretation and strategy of nonviolent action ('satyagraha'). The updated second edition includes material on unarmed resistance during World War Two in Norway and Denmark, and on the US Civil Rights Movement.
