## Color revolutions: the Belarus case

Author: [David R. Marples](#) [1]

In: Communist and Post-Communist Studies, Vol 39, No 3 (Special Issue 'Democratic Revolutions in Post-Communist States', ed. Taras Kuzio), 2006, pp. 351-357

Examines why protesters failed to achieve regime change in the 2006 presidential election. Argues that the historical background of the regime, the popularity of the president, and electors' concern with economic rather than democratic issues were all important. Also considers role of Russia and its ambivalence towards the Belarus regime.
