How Do Anti-abortion and Abortion Rights Groups Deploy Ideas About Islam in Their Activism Regarding Abortion

Author: Zhixin Jin [1]

Abortion is a hotly debated topic among Muslim communities. In this paper, the author examines how both anti-abortion and abortion rights groups deploy ideas about Islam. She analised the language used by these groups when describing Muslim communities and Muslim views and found that a majority of them did not include arguments from both sides. Almost all the Anti-Abortion Websites included generalizations about the Muslim community, and also used the conservative elements in Islamic Religion to persuade more Muslims to join their stance on abortion.
