

welcome

The aim of this website is to promote understanding of and research on **civil resistance** - which is another term for **nonviolent struggle**.

A NOTE ABOUT THIS WEBSITE

Since [Howard](#) [1] was in charge of the civilresistance.info website there will be a hiatus before we are able to update it regularly. However, in due course the other bibliography compilers (April Carter and Michael Randle) do plan to make the new Guide to Civil Resistance, Vol. 1 (2013) available to be consulted online, and are currently working on Vol. 2 on Social Movements.
