Year of Publication: 1990

Scott, James C., [Domination and the Arts of Resistance: Hidden Transcripts \[1\]](#), New Haven, Yale University Press, 1990, pp. 251

Much-cited analysis of forms of hidden and indirect resistance, as opposed to overt organised opposition. Develops at a more general level ideas explored in his *Weapons of the Weak: Everyday Forms of Peasant Resistance* (1985). Scott discusses how everyday resistance might turn into open revolt: an aspect of his analysis that has been critically examined.
