Ramachandra, Guha, [The Unquiet Woods: Ecological Change and Peasant Resistance in the Himalayas](#) [1], expanded edition, Oxford, Oxford University Press, 2000, pp. 244

Emphasizes local roots of movement. including development of 'non-secessionist regionalism' in Uttarakhand. The epilogue, written in 1998, adds historical perspective on the movement's achievements and reports on-going struggles. Seeks to offer 'corrective' to romanticized western and ecofeminist interpretations.
