Breyman, Steven, [Why Movements Matter: The West German Peace Movement and U.S. Arms Control Policy](#) [1], Albany NY, State University of New York Press, 2001, pp. 359

Charts the evolution of the movement from 1979 to deployment of missiles in Germany at the end of 1983, linking accounts of major protests in West Germany to internal political developments and US/USSR negotiations. The final chapter assesses the impact of the movement and its relation to the INF Treaty.
