Evans, Martin, [The Memory of Resistance: French Opposition to the Algerian War 1954-1962](#) [1], Oxford, Berg, 1997, pp. 250

Focuses particularly on those who actively supported the Algerian guerrilla movement the FLN (the Jeanson network), but includes references to the September 1960 '[121 Manifesto](#) [2]', in which intellectuals asserted the right to refuse to take up arms in the war. Not an overall history of opposition, but using oral reminiscences to show motivation for resistance.
