Year of Publication: 2014

McEvoy, Joanne, [Power-Sharing Executives: Governing in Bosnia, Macedonia, and Northern Ireland](#) [1], Philadelphia PA, University of Pennsylvania Press, 2014, pp. 288

Comparative study of power sharing-initiatives, analyzing the different approaches in each case and the role of external actors. Author argues that the experience in Northern Ireland, despite many setbacks and false starts, has been relatively positive, though threatened by the rioting and quarrels that followed the decision in December 2010 to fly the Union flag at Stormont only on special occasions rather than every day as had previously been the case.

Year of Publication: 2008

McEvoy, Joanne, [The Politics of Northern Ireland](#) [2], Edinburgh, Edinburgh University Press, 2008, pp. 194

Discusses competing theoretical perspectives on the causes of the conflict and the political parties and paramilitaries involved. Records the various reforms and constitutional initiatives from the 1970s to the 1990s to find a settlement which culminated in the Good Friday Agreement, the setting up of a power-sharing Executive and Assembly, and finally, following the suspension of the Assembly between 2002 and 2007, the agreement between the DUP and Sinn Fein to co-operate in a power-sharing government.
