Murray, Dominic, [Protestant Perceptions of the Peace Process in Northern Ireland](#) [1], Limerick, Centre for Peace and Development Studies, University of Limerick, 2000, pp. 173

Contributions from Northern Ireland Protestants with backgrounds in politics, the media, education, religion and community work. Murray, himself from a nationalist background, stresses the importance of contesting the widely held view in the Republic of Ireland and beyond that the Unionist population of Northern Ireland is a homogeneous group, which is both intransigent and obstructive. His intention as editor, he states, is to illuminate the diversity which exists in the unionist community.
