Arconti, Laura ; Turco, Maurizio, [Marco Pannella, il Partito Radicale e la Nonviolenza](#) [1], Reality Book, 2016, pp. 454

This book introduces key documents presented by the Italian Partito Radicale Nonviolento Transnazionale e Transpartito (Nonviolent Radical Party, Transnational and Transparty (PRNTT)) enunciating the core values from which nonviolence was extrapolated as the guiding principle for the party's political action. It is also a testament defining the Party's programme on the abolition of the death penalty; the abolition of prohibitionism, especially with regards to drugs; the abolishment of Genital Female Mutilation; freedom in scientific research, especially in relation to stem cells research; and the enabling of international jurisdiction aimed at ensuring citizens' access to international legal institutions to advance their political and social goals.
