Barone, Giuseppe ; Mazzi, Sandro, [Aldo Capitini – Danilo Dolci. Lettere 1952-1968 \[1\]](#), Roma, Edizioni Carocci, 2008, pp. 279

This work contains selected letters between anti-fascist Italian philosopher Aldo Capitini and nonviolent activist Danilo Dolci, initiated by the former when Dolci was on his first hunger strike. This series of letters testifies to the close and unique relationship that developed through time between the two figures, which inspired both to develop their work and further implement insights in the field of culture, politics, education, and religion in the second half of the twentieth century in Italy.
