AP, [Palestinian-American brings #MeToo campaign to West Bank](#) [4], Arab News, 2018

This article describes the initiative a young Palestinian-American took to confront patriarchy and sexism in the West Bank and the lack of protection for women, despite legal reforms formally taking place in its territories. Yasmeeen Mjalli is the inventor of T-shirts, hoodies and jackets with the slogan 'I Am Not Your Habibti (darling)', an expression typically used for catcalling women and young girls. Sexual harassment is a taboo subject in Palestine, which is still dominated by a culture of victim blaming, like many other parts of the Arab World. It is moreover not considered a priority amongst Palestinians in comparison to the fight against Israeli occupation. The article also briefly cites minor reforms that occurred in Egypt, the Gulf Arab Region and Saudi Arabia.
