Lee, Paul S.N. ; So, Clement Y.K. ; Long, Louis, [Social Media and the Umbrella Movement: Insurgent Public Sphere in Formation](#) [1], Chinese Journal of Communication (Routledge Journal), Vol. 8, no. 4, 2015, pp. 356-375

The authors from the Chinese University of Hong Kong interviewed a random sample of 1011 to assess the role of social media in the Umbrella Movement. They found a positive correlation between support for the movement and reliance on social media for news and that this group also distrusted the Hong Kong authorities, the police and Chinese Government.
