Lahai, John ; Moyo, Khanyisela, [Gender in Human Rights and Transitional Justice](#) [1], Cham, Switzerland, Palgrave Macmillan, 2018, pp. 294

The authors challenge the (dominant) one-sided representations of gender in the discourses on human rights, and also transitional justice (involving new approaches to redressing recent major suffering and oppression). They examine how transitional justice and human rights institutions, as well as political institutions, impact the lives and experiences of women with references to Argentina, Bosnia, Egypt, Kenya, Peru, Sierra Leone, and Sri Lanka. They focus especially, in a variety of contexts, on the relationships between local and global forces.
