Year of Publication: 1997

McCarthy, Ronald M. ; Sharp, Gene, [Nonviolent Action: A Research Guide](#) [1], New York, Garland, 1997, pp. 720

An exhaustive, annotated, bibliography, very strong on earlier history of nonviolent action, but also including many recent nonviolent campaigns up to the mid-1990s. Part I covers cases of nonviolent action. Part II the methods and dynamics of nonviolent action and theories of conflict, power and violence. NB the index is seriously flawed (a correct version should be available on the Albert Einstein Institution website), but it is possible to trace campaigns through the list of contents.

Powers, Roger S. ; Vogeley, William B. ; Kruegler, Christopher ; McCarthy, Ronald M., [Protest, Power and Change. An Encyclopaedia of Nonviolent Action from ACT-UP to Women's Suffrage](#) [2], New York, Garland, 1997, pp. 610

Valuable guide to both the theory and practice of nonviolence, summarizing 104 nonviolent campaigns and actions, listing methods of protest, and examining relevant organisations and personalities.
