Sambaraju, Rahul ; Sammon, Myles ; Harnett, Frank ; Douglas, Emma, 'Her choice of course': Negotiating legitimacy of 'choice' in abortion rights deliberations during the 'Repeal the Eighth' movement in Ireland' *[1]*, Journal of Health Psychology, Vol. 23, no. 2, 2017, pp. 263-276

The authors provide a 'discursive psychological examination' of how 'choice' was interpreted in online debates during the movement for abortion rights. The interpretation of 'choice' was linked to alternative views of women, either as independent agents or as child-bearing mothers, which affected the legitimacy of women's rights to 'choice'.
