Ross, Loretta ; Roberts, Lynn ; Derkas, Erika ; Peoples, Whitney ; Bridgewater, Pamela, [Radical Reproductive Justice](#) [1], New York , Feminist Press, 2017, pp. 500

This anthology assembles two decades of work initiated by SisterSong Women of Color Health Collective, creators of the human rights-based 'reproductive justice' framework designed to move beyond polarised pro-choice/pro-life debates. Rooted in Black feminism and built on intersecting identities, this framework asserts a woman's right to have children or not, and that of parents to provide for the children they do have.
