Hogan, Gwynne, [Dominican protesters call attention to femicide, urge New Yorkers to take action](#) [1], WNYC, 2018

Briefly reports on ex-pats from the Dominican Republic who marched on the streets of Washington Heights, denouncing an epidemic of gender-based killings in their home country, where an average of 200 femicides per year occur. The protest in New York was called "March Against the Plague of Femicide".
