Greene, Linda ; Inniss, Lolita Buckner ; Crawford, Bridget J. ; Baradaran, Mehrsa ; Ben-Asher, Noa ; Capers, Bennett ; James, Osamudia R. ; Lindsay, Keisha, [Talking About Black Lives Matter and #MeToo \[1\]](#), Wisconsin Journal of Law, Gender & Society, Vol. 34, no. 2, 2019, pp. 1-69

This article, which explores both differences and similarities between the two movements, begins by comparing both internal and external definitions of success within Black Lives Matter and MeToo. It also considers both movements from the standpoint of 'intersectionality'. The authors then assess how both movements have influenced scholars, teachers, lawyers and community activists, their impacts on law and popular culture and how these external factors influence the movements. Finally they ask what the next steps should be for each movement.
