Nadeau, Kathleen ; Rayamajhi, Sanjita, [Women and Violence: Global Lives in Focus \[1\]](#), Santa Barbara, CA, ABC-CLIO, 2020, pp. 268

The authors examine violence against women and gender-based discrimination around the world, today. They provide a global perspective on the history, causes, and complex underpinnings of gender and violence from a multidimensional and cross-disciplinary perspective. The regions covered are North America, Latin America and the Caribbean, Europe, North Africa and the Middle East, Sub-Saharan Africa, Central and East Asia, South and Southeast Asia, and Oceania. Each chapter begins with an overview of its world region, and then focuses on particular forms of violence against women in the more specific contexts of particular countries and in relation to the wider region.
