Arruzza, Cinzia ; Bhattacharaya, Tithi ; Fraser, Nancy, [Feminism for the 99%: A Manifesto](#) [1], London, Verso , 2019, pp. 85

A manifesto inspired by the international women's strike, 'NiUnaMenos' in Argentina and other radical feminist actions. It argues for a linkage between feminism and LGBTQ+ rights and the struggle against neoliberal capitalism, and rejects the kind of liberal feminism (exemplified by Hillary Clinton) that seeks equal opportunities for women within an inherently oppressive system.
