Hurley, Lawrence, [U.S. Supreme Court declines Alabama bid to revive abortion restriction](#) [1], Reuters, 2019

Decision by the U.S. Supreme Court that declined to hear Alabama's 2019 bid to revive a Republican-backed state law that would have effectively banned the 'dismemberment abortion' procedure after 15 weeks of pregnancy. Through this procedure, the woman's cervix is dilated and the contents of the uterus removed. The decision by the U.S. Supreme Court left in place a lower court ruling that protects woman's constitutional right to abortion recognized in the landmark 1973 Roe vs. Wade ruling.
