Roser-Renouf, Connie ; Atkinson, Lucy ; Maibach, Edward ; Leiserowitz, Anthony, [The consumer as climate activist](#) [1], International Journal of Communication, Vol. 10, 2016, pp. 4759-4783

The article examines how far in the US consuming green products is linked to a desire to alter corporate practices that lead to climate change. It finds that concern about global warming and belief in consumer activism does predict 'green purchasing, behaviour and opinion leadership'. The authors note the role of communications in promoting both concern about global warming and belief in consumer activism.
