Elnaiem, Mohammed, [Armed, unarmed and non-violent: the Sudanese resistance in Sudan's 2018-2019 revolutionary uprising](#) [1], Fletcher Forum of World Affairs 43, Vol. 43, no. 2, 2019, pp. 5-26

This article argues that the movement that led to the imprisonment of Bashir can only be properly understood in terms of the grassroots struggle that defined it. Elnaiem also argues that it was a multi-layered struggle and discusses the composition of the broader resistance and the historical legacy it built upon, as well as the obstacles to further progress.
