Grigoryan, Armen, [Armenia's Path to Democratization by Recursive Mass Protests](#) [1], Caucasus Survey, Vol. 7, no. 2, 2019, pp. 157-175

The article compares the 2018 revolution with earlier unsuccessful political protests in Armenia since 2003-4, to try to determine what made success possible. Grigoryan also makes comparisons with some other examples of regime change, and considers the implications of the nature of the 2018 revolution for post-revolutionary politics and society.

Grigoryan, Armen, ["Armenia First": Behind the rise of Armenia's alt-right scene](#) [2], 2019

Grigoryan argues that a 'kleptocratic regime' has been ousted by the revolution, but a more radical conservative agenda is being promoted in this new context.
