Stephan, Rita ; Charrad, Mounira M., [Women Rising: In and Beyond the Arab Spring](#) [1], New York , New York University Press, 2020, pp. 432 (pb)

This comparative study of 16 countries documents women's political resistance during and since 2011, with essays by both activists and scholars. The book stresses the diversity of the social groups and attitudes of the women involved, and gives a voice to often marginalized groups such as housewives and rural women. After an introductory chapter 'Advancing Women's Rights in the Arab World', the book is divided into five parts: What They Fight For; What They Believe; How They Express Agency; How They Use Space to Mobilize; and How They Organize.
