Gonzales, Ricardo ; Moran, Carmen Le Foulon, [The 2019-2020 Chilean Protests. A New Look at the Causes and Protesters](#) [1], International Journal of Sociology, Vol. 50, no. 3, 2020, pp. 227-235

The authors stress that it is too early to provide either a comprehensive or definitive account of the unfolding protest movement. Their aim is to cover the main events, to outline the immediate background to the protests, and to draw on current research and surveys to indicate some explanations.
