

Visa for Poland

Author: [K. S. Karol](#) [1]

MacGibbon and Kee, London, 1959, pp. 259

Account by a Polish journalist (who left in 1949) of the evolution of destalinization from above and demands for democratization from below in 1955-56, and the October 1956 revolution. Karol explains the background context of Poland's wartime experiences and the Communist seizure of power and in Part Two assesses Poland a year after October 1956.
