

The Rise of Nationalism in Central Africa: The Making of Malawi and Zambia: 1873-1964

Author: [Robert I Rotberg](#) [1]

Harvard University Press, Cambridge MA, 1967, pp. 360

Chapter 8 'Discovering their voice: the formation of national political movements' (pp. 179-213) goes up to 1948; chapter 10 'The Federal dream and African reality' (pp. 253-302) charts growing resistance from 1953; and chapter 11 traces 'The triumph of nationalism' (pp. 303-16). Gives some detail on protests and indexes 'non-violent resistance'. Includes detailed bibliography.
