## **The Social Consequences of Resettlement: The Impact of the Kariba Resettlement Upon the Gwembo Tonga**

Author: [Elizabeth Colson](#) [1]

Manchester University Press, Manchester, 1971, pp. 288

The mass displacement caused by the Kariba Dam was a central issue for the pro-independence movement, despite the problems of organising resistance in the affected areas. Pioneer study of what is now called 'development-induced displacement'.
