

From Crisis to Crisis: Pakistan 1962-1969

Author: [Herbert Feldman](#) [1]

Oxford University Press, London, 1972, pp. 344

The main emphasis of this book is on Ayub Khan's government, but chapter 9 'The last phase' (pp. 237-71) covers the '132 days of uninterrupted disturbances'. Stresses the rioting and factionalised violence, but notes the importance of the urban working classes and the students.
