

Where Do We Go From Here? Tactics and Strategies for the Peace Movement

Author: [Marty Jezer](#) [1]

A.J. Muste Institute, New York, 1984, pp. 74

Answers by range of peace activists to questions about the future of the movement, including whether it should focus on the arms race or more broadly on US foreign policy, its relationship to electoral politics, the role of civil disobedience and issues related to feminist separatism.
