

The Problem of Political Obligation: A Critique of Liberal Theory

2nd edition

Author: [Carole Pateman](#) [1]

University of California Press, Berkeley CA, 1985, pp. 222

Originally published: 1979

Critiques individualist liberal theories of civil disobedience, including the notion that civil disobedients should willingly accept punishment (pp. 57-60 and 161-2). Rather 'political disobedience ... may be the only way in which freedom and equality can be preserved', and minorities have the right to refuse or withdraw consent.
