Technique de la Nonviolence

Author: Lanza del Vasto [1]

Gallimard, Paris, 1988, pp. 280

Originally published: 1974

Originally written in 1974, this essay explores the philosophy and strategy of nonviolence inspired by the author's meeting with Gandhi in 1937, and applies it to environmental and solidarity struggles as well as in the daily life of the Arch communities, which he founded across France.
