

Peace Movements: International Protest and World Politics Since 1945

Author: [April Carter](#) [1]

Longman, London, 1992, pp. 283

Particular focus on European and North American movements against nuclear weapons in the 1950s-60s and 1980s and East European responses in the 1980s. But other nuclear disarmament protests, peace campaigns on other issues and nonviolent initiatives in other parts of the world are indicated more briefly.
