

The Roots of Solidarity: A Political Sociology of Poland's Working Class Democratization

Author: [Roman Laba](#) [1]

Princeton University Press, Princeton NJ, 1992, pp. 264

Between arriving in Poland in 1980 and being expelled in 1982, the author engaged in firsthand research and gathered relevant documents to question the emphasis on the role of intellectuals, and develop his thesis on the central role of working class activism and their talent for democratic organization.
