

Civil Resistance

(Online at <http://civilresistance.info>)

Author: [Michael Randle](#) [1]

Fontana, London, 1994, pp. 259

Chapters 1-4 focus on the history and dynamics of nonviolent resistance, and its increasing use in recent decades, within a framework of broader historical analysis. The main emphasis is on national resistance to oppressive regimes. The second half of the book analyses civilian (nonviolent) defence (see A.5.b.)
