## Gay Men and the Sexual History of the Political Left

Editor(s): [Gert Hekma](#) [1], [Harry Oosterhuis](#) [2]

Harrington Press, New York, 1995, pp. 408

Includes chapters on the often difficult relationship between socialist, anarchist or social democratic movements and homosexuality in countries such as pre-First World War Netherlands, Civil-War Spain, the German Weimar Republic and post-1945 East Germany.
