## **Hiroshima In America. A Half Century Of Denial**

Author(s): [Robert Lifton](#) [1], [Greg Mitchell](#) [2]

Avon Books, New York, 1995, pp. 427

The authors examine President Truman's motives for authorizing and then defending the use of the atomic bomb on Hiroshima and Nagasaki. They also discuss the moral concern of many of the scientists that directed the Manhattan Project, and expose the official attempts by historians and the media to suppress or distort the information about it.
