

Sisterhood is Global: The International Women's Movement Anthology

Author: [Robin Morgan](#) [1]

City University of New York Feminist Press, New York, 1996, pp. 821

Originally published: 1984

Anthology of essays and documents from women in 70 countries round the world, especially the Global South. Authors are a mix of well known and less well known grass roots activists, politicians and scholars. A global strategy meeting organized to mark publication in 1984 led to the creation of the [Sisterhood Is Global Institute](#) [2] (SIGI).
