

Student protests in fin-de-siecle China

Author: [Jeffrey N. Wasserstrom](#) [1]

In: New Left Review, No 237 (September/October), 1999, pp. 52-76

Discusses 1999 student demonstrations against the NATO bombing of Chinese Embassy in Belgrade, comparing them with earlier 1919 and June 1989 protests. Argues that, despite official support and encouragement, the 1999 protests did reflect significant degree of student autonomy and included allusion to 1989.
