## **Out Now! A Participant's Account of the American Movement Against the Vietnam War**

Author: [Fred Halstead](#) [1]

Pathfinder, Atlanta, GA, 2001, pp. 886

Originally published: 1978

Traces the rise of the anti-Vietnam War movement, including accounts of the ideological and institutional rivalries between organizations, and covers all the major demonstrations and civil disobedience actions from the Students for a Democratic Society March on Washington in 1965 to US withdrawal from Vietnam in 1973.
