## En Legítima Desobediencia

Proyecto Editorial Traficantes de Sueños, Madrid, 2002, pp. 348

This is the major compilation of declarations, press statements and articles by the protagonists of the *insumisión* campaign at the time of their disobedience. Therefore it includes accounts of various stages of movement, such as the formation of the first objectors' groups, and defiance of the Conscientious Objection Act, and the struggle inside the prison in Pamplona. There are also manifestoes, letters of support and internal documents which record these struggles and others that arose out of them: for example the gender issue raised by antimilitarist-feminist women, and the campaign against military expenditure involving tax refusal.
