

A Political Space: Reading the Global through Clayoquot Sound

Editor(s): [Warren Magnusson](#) [1], [Karena Shaw](#) [2]

University of Minnesota Press, Minneapolis MN, 2002, pp. 320

Campaign on Vancouver Island, Canada, against corporate loggers trying to take over indigenous land. Protesters blocked roads against logging. Both men and women took part, but cited as a protest organized on feminist principles.
