## **Another World Is Possible If ...**

Author: [Susan George](#) [1]

Verso, London, 2004, pp. 268

Committed political and economic analysis of the injustices and dangers of neoliberal globalization by a leading thinker and activist in the Global Justice Movement. Includes brief discussion of campaigns (Jubilee 2000, opposition to the Multilateral Agreement on Investment, summit protests) and ends with chapter on why the movement should be nonviolent.
