## **Nonviolenza E Mafia. Idee Ed Esperienze Per Un Superamento Del Sistema Mafioso**

Edizioni Di Girolamo, Trapani, 2005, pp. 158

By recalling Danilo Dolci's pioneering role, this work explores the relationship between civil society, mafia and nonviolence, a theme that remains predominantly unexplored up to now. It's a composition of arguments, opinions and experiences stemming from a dialogue between individuals and organisations that want to build a solid anti-mafia movement in Italy, with particular regard to the South.
