

## **Unarmed Insurrections: People Power Movements in Nondemocracies**

Author: [Kurt Schock](#) [1]

University of Minnesota Press, Minneapolis, 2005, pp. 228

Seeks to address the lack of explicitly comparative analysis of how nonviolent methods promote political transformation. Examines success of the anti-apartheid movement in South Africa (1983-90), and pro-democracy movements in the Philippines (1983-86), Nepal (1990) and Thailand (1991-92), and explores failure of such as movements in China (1989) and Burma (1988). Lists major actions in each movement. Includes analysis and criticism of 'consent' theory of power.
