

Peace and Freedom: The Civil Rights and the Antiwar Movements in the 1960s

Author: [Simon Hall](#) [1]

University of Pennsylvania Press, Philadelphia PA, 2006, pp. 280

Originally published: 2004

Using archival research, explores both how the Civil Rights Movement reacted to the Vietnam War, and also examines relations between black groups opposed to the War and the wider peace movement, and difficulties that arose.
