

Una Forza Che Dà Vita. Ricominciare Con Gandhi In Un'Età Di Terrorismi

Edizione Unicopli, Milano, 2006, pp. 360

A selection of Gandhi's writings that illustrate his thought and action, his relationship with the West and his reflection on the West-East relationship. The author presents also research findings on educational programs based on Gandhian principles, Gandhi's thought on economic issues, nonviolence, nationalism, intercultural dialogue, terrorism and war, as well as experiments in Italy based on the Gandhian philosophy.
